

# WHAT MAKES DIEGO UNIQUE?

ASSESSED BY RED BULL WINGFINDER, 25 OCTOBER 2019

Top strength:

## HIGHLY CLASSICAL

diego has a clear and consistent way of working. He prefers the stability and security of conformity and tradition.

He succeeds through

- his ability to keep things simple
- his pragmatic approach
- his conventionality

Respectfully  
preserves traditions

Tends to embrace  
the familiar, more so  
than change

This strength is part of diego's CREATIVITY result

diego's CREATIVITY result measures how original and innovative, or how logical and analytical his thinking is. He values logic, so he prefers decisions that are grounded in reason rather than intuition. He focuses his thinking on rational and practical approaches and often takes an 'if it ain't broke ...' approach to getting things done.

Top strength:

## VERY DIRECT

diego is straight talking and direct. He enjoys being able to argue his point in a clear and transparent way.

He succeeds through

- his ability to express himself clearly
- not being overly influenced by others
- being passionate about his opinions

Gives clear and  
honest feedback

Can find fault too  
easily

Top strength:

## INDEPENDENT

diego is happy to network and make new contacts when necessary but prefers to work with people he knows. He is also very comfortable working alone.

He succeeds through

- being pragmatic about investing in making new connections
- keeping focused on his work
- allowing others to be heard

Avoids social  
distractions

May be  
uncomfortable in  
large team settings

These strengths help explain the way diego works with other people — his CONNECTIONS

The CONNECTIONS result measures how diego manages relationships and how well he works independently. diego is comfortable working on his own and enjoys projects that let him be autonomous. He is very focused and can resist social distractions that get in the way of his goals.

Top strength:

## A HANDS ON LEARNER

diego learns through experience and deals with problems by getting stuck in.

He succeeds through

- having proven solutions
- learning on the job
- using his common sense

Enjoys learning by  
doing

Needs to be aware  
when more  
analytical thought is  
required

This strength is a key part of the way diego THINKS

THINKING measures how abstractly or concretely diego prefers to think when solving problems. He prefers to be hands on and get stuck in. diego enjoys finding intuitive solutions to practical problems and believes learning comes from experience, not text-books. He applies his common-sense approach to even complex situations.
